Baltimone, July 15.—It appears that the rumored assassination of Gov. Hicks at Cambridge areas from the following:

It appears that on Friday night some trouble areas between the Union men and the secessionists, upon the Cambridge dock, and the Governor interfering to quell the disturbance, was roughly handled by the rebels. He escaped from the scrimage without serious injury. At the request of the Governor the Union troops occupied the town during the night, and escorted his Excellency to Annapolis and thence to Baltimore.

for clearing the seas of pirates and making the blockade
more diffectual; and as there was immediate necessity for
its passage, he hoped the House would proceed to consider its use.
Mr. Bingham, from the committee on the Judiciary,
introduced a bill providing for the suppression of the relaws of the United States. The President is authorized
to call out the militia for these purposes. Their continuance in service is not to extend beyond sixty days after
the commencement of the regular session of Gongress,
unless the latter shall otherwise direct. The militia are
to be entitled to the same pay and rations as the regular
service.

The bill passed under operation of the previous question, almost unanimously.

Mr. Blair, from the committee on Military Alfairs, reported back the Senate's bill, authorizing the President to accept the services of 500,000 volunteers to aid in the enforcement of the laws and protection of public property. He proposed for it a substitute similar to the bill previously reported.
